

ACKERMAN[™]

Cancer Center

Scot Ackerman, M.D. | Ryan Perkins, M.D. | Paul Ossi, M.D.

Oncology Registered Nurse

Jacksonville, Florida

Ackerman Cancer Center is seeking a Registered Nurse (RN) to join our team of highly trained radiation oncologists and medical professionals.

About

Our facilities in Jacksonville and Amelia Island specialize in the most advanced radiation oncology therapies available for all types of cancer. The interdisciplinary team at Ackerman Cancer Center is professional, compassionate, and dedicated to the highest level of care for patients and their families.

Our team includes Board Certified Radiation Oncologists, Board Certified Medical Physicists, Certified Medical Dosimetrists, Oncology Certified Nurses, Radiation Therapists, Oncology Certified Social Workers and an Oncology Certified Dietician.

Our facilities offer advanced treatments such as IMRT, IGRT, SRS, SBRT, VMAT, HDR Brachytherapy, and AccuBoost Breast Cancer Radiotherapy. We utilize RaySearch treatment planning, MOSAIQ EMR, Elekta Linear Accelerators and a MEVION S250 Proton Therapy System.

We also offer comprehensive diagnostic services for the convenience of our patients. These services include: PET/CT, CT, MRI, mammography, ultrasound and bone density scanning.
